A Word From Bro. Mike...

Hello!

I just want to start by saying that I am so thankful for each of you who faithfully support and participate in the Graves County Baptist Association. Because you understand that we are so much better together, we are seeing God do some awesome things in the churches in our association. It is a great time to be a part of the Graves County Baptist Association.

Monday morning prayer meetings have started back at 10:30 a.m. at the Association office. Please come join us and if you are not able to do so, please pray specifically at 10:30 a.m. for Revival & Spiritual Awakening in our area and beyond. Eliza Broadus Offering for State Missions week of prayer Sept. 8 – 15. There are resources to promote this offering at the Kentucky WMU website.

Our association Annual meeting will be Thursday, October 17, 4 p.m. at Enon Baptist (Thanks to Bro. Ike Murphey and Enon Baptist for hosting and providing the meal.) There will be some great preaching along with hearing some wonderful reports from organizations that we support and are a part of, along with voting on our budget and some other very important items. We ask each church to make sure you have messengers at this meeting.

If you have not heard yet, Hope for West KY is coming (see the flyer in this newsletter). We need you and your church to promote these events and sign up to sing in the choir, be on the prayer team, help with parking, security, decision counseling, etc. at www.kybaptist.org/hope. You can also get promotional resources at this link. One thing every single person can do is pray at 11:10 each day for Hope for West KY.

(continued next page)

One of the things that God has laid upon my heart is to encourage each of our churches to adopt a day of prayer or at least part of a day each month to pray for Hope for West KY and Revival & Spiritual Awakening. Please let me know if you and your church would commit to a day a month or part of day a month. Adopting a day of prayer or a part of a day a month in your church is the most effective way to begin and maintain a culture of prayer in your church and in our association. I am looking forward to what God will do when we have people in our association praying every day.

If I can help you or your church in any way, please let me know. I am here to serve the churches in this wonderful association.

In His Service,
 Dr. Mike Jones
